Dear Rodney,

The Georgia Charter Schools Association is formally endorsing ValuTeachers as the preferred supplemental retirement program provider for the 2015/2016 school year as part of the GCSA Specialty Benefits Plan. The Specialty Benefits Plan was created with the purpose of providing quality benefit support for our membership.

Please use this endorsement to secure agreements and build relationships necessary to create, maintain, and grow this initiative for our member schools.

We believe your service to be an excellent addition to our GCSA Specialty Benefits Plan and look forward to working with you to make sure our members are aware of your quality product.

Sincerely,

Tony Roberts
Chief Executive Officer
